

WOOD BADGE FOR THE 21ST CENTURY

April 13-15, 2007 and April 27-29, 2007

What is Wood badge?

Wood Badge is Scouting's premier training course. It is designed to help you learn the scouting an leadership skills necessary to implement a quality scouting program in your local unit.

What's new?

There have been many questions concerning the "new" wood badge course. Some of the changes include:

- A single more contemporary training program for cub scout, boy scout, and venture leaders.
- An increase focus on leadership and people skills.
- A 2 weekend, as opposed to a 3 weekend program.
- An ability to exercise the different programs and goals of scouting.

What's the same?

With all the talk of changes, has anything remained the same? Sure, some of the continued Wood Badge traditions include:

- An introduction to some basic scouting skills.
- The awarding of "beads" after completing your ticket.
- A couple weekends full of fun and tom-foolery

Location and Dates

The Wood Badge Course begins on Friday April 13. You will need to be at Camp Chief Logan no later than 7:30 that morning. You will be finished around 5:00pm Sunday evening. The second weekend beginning April 27, will have approximately the same schedule.

Wood Badge Cost

Cost for the Wood Badge Course is \$175 before March 15, 07 or \$200 after March 15, 07. A \$75 deposit is required with your application to reserve your space in the course.
